EXPERIENCE

2024 - Present

Home Remodels

Business Analyst

West Shore Home

- Implemented Agile workflows to improve cross-functional coordination, using sprint planning and iterative feedback loops to accelerate delivery and strengthen team alignment across multiple projects.
- Built and maintained JIRA timelines and reporting views to track progress, surface workload risks, and improve visibility into milestones and dependencies for stakeholders.
- Improved workflow efficiency by decomposing tasks, clarifying ownership, and aligning deliverables to business priorities, supporting on-time execution of strategic initiatives.
- Automated weekly stakeholder communications to provide clear status updates, milestone tracking, and action items, improving coordination across teams.
- Contributed to AI-driven process improvements that reduced manual effort and generated cost savings, supporting continuous improvement goals.
- Used SQL to extract and integrate data into JIRA dashboards, delivering real-time reporting that improved decision-making and operational oversight.

2024 - 2024

Home Remodels

Inside Sales Agent

West Shore Home

- Maintained detailed CRM records, nurtured customer relationships through consultative selling, and provided mentorship to new sales team members
